RE: UA Transport, OHR000177196, Complaint 2628, Cuyahoga, Return to Compliance

Dear Mr. Yevtukh:

I am in receipt of your e-mail response to my July 30, 2013, notice of violation letter. Your response, received on August 12, 2013, consisted of nine photographs demonstrating proper labeling of containers of used oil and universal waste batteries.

Based on your August 12 photos and another e-mail response received on August 28, 2013, UA Transport is returned to compliance with the violations noted during my July 1, 2013, inspection:

1. Ohio Administrative Code (OAC) Rule 3745-52-11; Waste evaluation.

You determined the blue drum in question contained used oil and labeled the drum with the words "used oil."

2. OAC Rule 3745-273-14(A); Universal waste batteries.

3. OAC Rule 3745-279-22(C)(1); Used Oil.

No further action is required by you to this letter.

Should you have any questions, please feel free to call me at (330) 963-1162 or e-mail me at marlene.kinney@epa.ohio.gov.

Sincerely,

A handwritten signature in cursive script that reads "Marlene M. Kinney".
