Dear Mr. DeLong:

Thank you for your facility's August 12 and 16, 2013 responses to Ohio EPA's July 22, 2013 Notice of Violation letter. The information you submitted included documentation of postings of emergency information and evidence that LDR forms had been properly completed.

My review of this information reveals that Microbac has now abated all violations discovered during the July 9, 2013 inspection.

If you have any questions, please contact me by telephone at (740) 380-5293 or by e-mail at donna.goodman@epa.state.oh.us.

Sincerely,

Donna Goodman
