Dear Mr. Milam:

This letter acknowledges receipt of email correspondence from you dated August 19, 2013 responding to Ohio EPA's Notice of Violation (NOV) letter dated August 7, 2013.

The documentation provided by this correspondence included a manifest for shipment of scrap paint and used universal waste lamps, and completed weekly inspection forms. My review of that documentation and actions taken by Angstrom Graphics Inc. (Angstrom Graphics) prior to issuance of the August 7, 2013 NOV letter indicates that Angstrom Graphics has adequately demonstrated abatement of all violations identified during the July 22, 2013 inspection and cited in my letter of August 7, 2013, specifically:

1. OAC Rule 3745-273-15(C) Small Quantity Handler Must Have System To Demonstrate Length Of Accumulation.
2. OAC 3745-273-273-15(A) Small Quantity Handler May Only Accumulate For One Year Unless Additional Accumulation Time Is Necessary To Facilitate Proper Recovery, Treatment Or Disposal.
3. OAC 3745-279-22(C)(1) Used Oil Containers Must Be Labeled With the Words "Used Oil".
