Dear Ms. Padro:

Please be advised that the Southeast District Office of the Ohio Environmental Protection Agency (EPA) conducted a follow-up inspection of an illegal dump site located on Monroe Township Road 211, in Harrison County, Ohio on September 12, 2013.

Based on my field inspection it appears that all violations of Ohio's Solid Waste Law have been abated and this case is considered closed. I want to thank you for your cooperation in resolving this case.
