Mr. Dennis Phalen, Owner
 B&D Trucking
 3201 Yoder Road
 Lima, Ohio 45806

Dear Mr. Phalen:

Thank you for submitting the requested information received by Ohio EPA on August 26, 2013. You submitted this information in response to my August 9, 2013, Notice of Violation. You sent me photographic documentation of the proper labeling of your used oil storage container and stated that you are planning to manage your spent fluorescent light bulbs as universal waste. The spent bulbs will be taken to Menards for recycling. Please referred to the guidance document I provided you for any additional information regarding the proper management of universal waste lamps.

My review of this documentation reveals that B & D Trucking has abated the violations discovered during the July 30, 2013, compliance evaluation inspection as listed below:

Letter Citation #	Rule Citation	Date Discovered	RTC Date
1	OAC Rule 3745-52-11: Waste Evaluation	07/30/2013	08/26/2013
2	OAC Rule 3745-279-22(C): Used Oil Container Labeling	07/30/2013	08/26/2013
