Dear Mr. McCann:

Thank you for your May 25, 2011 e-mail response to Ohio EPA's April 29, 2011 Notice of Violation letter. The documentation you submitted included photographic documentation demonstrating that the used oil totes have been labeled with the words "Used Oil."

My review of this documentation reveals that 3D Automotive, Inc. has now abated all violations discovered during the April 18, 2011 inspection as listed below.
