Dear Mr. Tornes:

Thank you for your December 15, 2008 response to Ohio EPA's November 18, 2008 Notice of Violation letter. The documentation you submitted included photographic documentation demonstrating that the containers being used to accumulate used oil and also universal waste batteries and lamps have all been labeled, and personnel who handle universal waste have been trained on labeling and container requirements. Personnel will periodically repeat training.

My review of this documentation reveals that Sonoco Products Company has now abated all violations discovered during the November 18, 2008 inspection, as listed below:

1. OAC Rule 3745-273-14(A), Universal Waste Batteries
2. OAC Rule 3745-273-13(D)(1), Universal Waste Lamps
3. OAC Rule 3745-273-14(E), Universal Waste Lamps
4. OAC Rule 3745-279-22(C)(1), Used Oil Storage

Sincerely,
