**Re: Bell's Service Station
Used Oil Generator
U.S. EPA ID#: OHR000161976
Fayette County, CDO
RTC**

Dear Mr. Self:

Thank you for your October 18 and 19, 2010 e-mail responses to Ohio EPA's October 18, 2010 Notice of Violation letter. The documentation you submitted included photographs demonstrating that the used oil tote was properly labeled with the words "Used Oil" and that the used oil spill on the ground next to the tote was cleaned up.

My review of this documentation reveals that Bell's Service Station has now abated all violations discovered during the October 7, 2010 inspection as listed below.

Letter Citation #	Rule Citation
1.	OAC Rule 3745-279-22(C)(1), Used oil storage requirements for generators – labels
2.	OAC Rule 3745-279-22(D)(3), Used oil storage requirements for generators – responses to releases
