Dear Mr. Rao:

Thank you for your November 15, 2007 response to Ohio EPA's October 19, 2007 Notice of Violation letter. You provided evidence of corrections made for compliance related to:

- 9.) **Employee Training for Universal Waste handling practices, OAC rule 3745-273-16.** Updated employee training in handling broken lamp pieces has been provided to maintenance and other personnel as well as their supervisors.

In addition, you pointed out corrections previously made and reported in an October 1, 2007 update letter, related to:

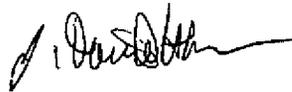

- 3.) **Closed Containers, OAC rule 3745-34(C)(1)(A).**

My review shows you have adequately demonstrated abatement of all the violations discovered at the Abbott Labs, Ross Park facility during the September 20, 2007 compliance inspection. The cordial and timely assistance of you and your staff in addressing these matters is much appreciated. Should you have any questions now or in the future relating to your hazardous waste compliance, please feel free to call me at (614) 728-3885 or email david.hohmann@epa.state.oh.us.

Sincerely,

J. David Hohmann
