Dear Mr. McCorry:

Thank you for your July 29, 2013 response to Ohio EPA's July 15, 2013 Notice of Violation letter. The documentation you submitted included photographic documentation demonstrating the <90-day storage area in Building #1 has been rearranged and lines painted to allow for adequate aisle space among the rows of hazardous waste pallets.

My review of this documentation reveals that PPG Industries Ohio, Inc. has now abated all violations discovered during the June 26 and 27, 2013 inspection as listed below.

Letter Citation #	Rule Citation
1.	OAC Rule 3745-65-35, Required Aisle Space, abated July 29, 2013.

Should you have any questions, please feel free to contact me at (614) 728-3878.

Sincerely,
