**RE: 498 East Washington

NOTICE OF VIOLATION: NESHAP VIOLATIONS**

Dear Mr. Del Regno:

On July 31, 2013, the Cleveland Division of Air Quality (CDAQ) inspected Saint Joan of Arc Catholic School located at 498 East Washington Street in Chagrin Falls. This letter serves as notification that you are in violation of the following applicable air statutes, air regulations, or air permit conditions.

Asbestos removal projects are subject to compliance with the Asbestos National Emission Standard for Hazardous Air Pollutants (NESHAP), Title 40 Code of Federal Regulations (CFR) Part 61 Subpart M, the Ohio Administrative Code (OAC) Rule 3745-20, and the Ohio Revised Code Chapter 3704.05(G).

Precision Environmental Company violated 40 CFR Part 61.145(b)(4)(viii) and OAC Rule 3745-20-03(A)(4)(i) by failing to schedule correct start and completion dates of asbestos removal. It was observed during CDAQ's July 31, 2013 inspection, that asbestos abatement activities had been completed. The Ohio EPA Notification of Demolition and Removal on file with CDAQ had an asbestos removal completion date of August 8, 2013.

Unless you undertake some type of corrective action with respect to the above noted violations, you will remain in non-compliance. CDAQ requests that Precision Environmental Company submit a corrective action plan along with a revised Notification providing the correct completion date for asbestos removal to the following enforcement representative:

Mike Samec
Cleveland Division of Air Quality
75 Erieview Plaza 2nd Floor
Cleveland, Ohio 44114-1839

Your written response to this letter must be received by CDAQ within fourteen (14) days of your receipt of this letter. If there is insufficient time to correct the alleged violations within this timeframe, your response must include a timeline for correcting the alleged violations.

CDAQ issues this letter with Ohio EPA's concurrence. The failure to mention any specific violation does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Mike Samec at 216-253-5589. All correspondence with CDAQ must include the Ohio EPA project identification number for Saint Joan of Arc Catholic School: CL 13 2227.

Sincerely,
