Dear Mr. Heck:

Thank you for your February 6, 2007, response to Ohio EPA's January 2, 2007, Notice of Violation letter. The documentation you submitted included weekly inspection logs and evidence of a phone installation for the hazardous waste accumulation area in Building 31.

My review of this documentation reveals that Franklin International, Inc. has now abated all violations discovered during the December 19, 2007 inspection as listed below.
