Mr. Nick Cimino
Mid Ohio Collision
2135 S. James Road
Columbus, OH 43232

Dear Mr. Cimino:

On August 1, 2007, I conducted a complaint investigation of Mid Ohio Collision in Columbus, Ohio. The complainant alleged that the company is dumping all of its waste down the drain. The caller also stated the company does not collect any waste at all. This letter explains the findings of my investigation.

During the investigation, I reviewed your facility operations and written documentation.

I found the following violation of Ohio's used oil laws. In order to correct these violations you must do the following and send me the required information ***within 30 days of your receipt of this letter.***

Used Oil Generator Standards (OAC 3745-279-22(C))

Containers and aboveground tanks used to store used oil at generator facilities shall be labeled or marked clearly with the words "Used Oil."

Mid Ohio Collision had not properly labeled the 55-gallon used oil drum with the words "used oil." The company must properly label the drum and any other container that holds used oil with the words "used oil." Please submit a photo of the properly labeled drum in order to abate this violation.

Thank you for your time during this investigation. Please feel free to call me at (614) 728-3882 if you have any questions or need additional assistance.
