NOTICE OF VIOLATION

August 1, 2013

Delbert Fisher
4120 Alten Road
Sugar Grove, OH 43155

Dear Mr. Fisher:

This letter confirms to your property on July 31, 2013, wherein I advised Sandra Starnier that you were open burning in violation of Ohio Administrative Code 3745-19-04(A). These actions are subject to fines and penalties.

Specifically, you have been burning miscellaneous plastic materials including bottles, ketchup packets, mechanical fittings and furniture. Additionally, at the time of my visit, there was an unattended smoldering fire which would not have the pleasure fire exemption and was extinguished by Ms. Starnier.

We are also noting that we sent you a warning letter dated October 17, 2007 for illegal open burning,

This letter is not a final action of the Director of the Ohio EPA and is intended only as a notification of a violation of the Ohio environmental laws and regulations. It does not preclude Ohio EPA or any other governmental entity from further enforcement action.

Should you have any questions, please do not hesitate to call me at (614) 728-3808.

Sincerely,

A handwritten signature in black ink that reads "David Burroughs". The signature is written in a cursive style.
