Dear Mr. Anderson:

This confirms the conversation with Charlie Moore (Representing ALD Precast) and Messr. Scarborough and Woods (OHIO EPA) wherein they advised your employee that you were open burning in violation of Ohio Administrative Code 3745-19-03(A). These actions are subject to fines and penalties.

Specifically, at 1600 Haul Road, Columbus, Ohio, and on September 5, 2013, ALD Precast was observed open burning construction debris within a Restricted Area.

This letter is not a final action of the Director of the Ohio EPA and is intended only as a notification of a violation of the Ohio environmental laws and regulations. It does not preclude Ohio EPA or any other governmental entity from further enforcement action.

Should you have any questions, please do not hesitate to call me at (614) 728-3808.

Sincerely,

Richard Barber (for David Burroughs)
