NOTICE OF VIOLATION

August 29, 2013

Roger Noble
356 E. Deshler Avenue
Columbus, OH 43206

Dear Mr. Noble:

This letter confirms our conversation of August 28, 2013 wherein I advised you that you were open burning in violation of Ohio Administrative Code 3745-19-03(A). These actions are subject to fines and penalties.

Specifically, at 9230 Blacklick Eastern Road, Pickerington, you were open burning landscape waste within 1,000 feet from the nearest inhabited building off your premises. You were also open burning land clearing waste without a permit and within a restricted area.

This letter is not a final action of the Director of the Ohio EPA and is intended only as a notification of a violation of the Ohio environmental laws and regulations. It does not preclude Ohio EPA or any other governmental entity from further enforcement action.

Should you have any questions, please do not hesitate to call me at (614) 728-3808.

Sincerely,

David Burroughs
Environmental Specialist
Division of Air Pollution Control
