Dear Ms. Gibson:

I received your response to my July 1 2013 Notice of Violation (NOV) letter on July 18, 2013. The documentation you submitted included an updated closure cost estimate dated July 15, 2013 from TRC Environmental Corporation. The revised closure cost estimate to complete the Closure Plan is \$281,560.

My September 30, 2013 review of this documentation reveals that Moyno has adequately demonstrated abatement of the following violation discovered during the June 28, 2013 financial record review:

- OAC Rule 3745-55-42(E), Copy of Facility's Detailed Closure Cost Estimate Must Be Submitted Annually to the Director***

If you have any questions, please feel free to call me at (614) 644-2933 or email me at shawn.sellers@epa.ohio.gov.
