Dear Mr. Pye:

Please thank Mr. John Goddard of University Circle Inc. for his September 30, 2013 e-mail response to Ohio EPA's September 23, 2013 Notice of Violation letter. The documentation he submitted indicated University Circle, Inc.'s intention to properly manage and recycle the universal waste lamps generated at the vehicle maintenance facility.

My review of this documentation reveals that University Circle, Inc. has now abated the outstanding violation discovered during the August 27, 2013 inspection, as listed below.
