Hazardous Waste  
**Return to Compliance**

September 19, 2013

Mr. William Snyder, Owner  
Snyder Buick, Cadillac & GMC, Inc.  
1421 North Scott Street  
Napoleon, Ohio 43545

Dear Mr. Snyder:

Thank you for your September 11, 2013 response, to Ohio EPA's August 27, 2013 Notice of Violation (NOV) letter. Snyder Buick, Cadillac & GMC, Inc., Service Department (SSD) located at 1421 North Scott Street in Napoleon, Ohio, submitted used oil documentation. My review of the documentation submitted reveals that SSD has adequately demonstrated abatement of the violation cited in the August 27, 2013, NOV.

The following is a summary of the violation cited in the August 27, 2013, NOV as a result of Ohio EPA's August 13, 2013, inspection and your compliance with respect to it:

**1. Labeling: OAC Rule 3745-279-22(C)(1):**

Containers, aboveground tanks, and fill pipes used for underground storage tanks shall be labeled or marked clearly with the words "used oil."

SSD had one 1,000-gallon storage tank, a designated dump station, and multiple portable containers of used oil that were not properly labeled "Used Oil".

**On September 12, 2013, SSD submitted, via electronic mail, photographic documentation of the 1,000-gallon storage tank, dump station, and two portable containers now properly labeled with the words "Used Oil".**

***With this information, this violation is considered abated.***

Ohio EPA has helpful information about compliance assistance and pollution prevention at the following web address: <http://www.epa.ohio.gov/ocapp>. In addition, you can find copies of the rules and other information on the division's web page at: <http://www.epa.ohio.gov/dhwm/>.

Mr. William Snyder
