Ms. Leakhena Suon
Giffin AutoSports

Wauseon, Ohio 43567

Dear Ms. Suon:

The Ohio EPA inspected Giffin Autosports location at 110 West Oak Street in Wauseon on September 21, 2010, to determine its compliance with Ohio's hazardous waste laws as found in Chapter 3734 of the Ohio Revised Code (ORC), and Chapter 3745 of the Ohio Administrative Code(OAC). A notice of violation (NOV) was sent to you on September 24, 2010. Since that time, you have responded and on August 27, 2013, I also spoke with you at the new Giffin location at 1365 Shoop Avenue.

The following is the status of the violations from the September 24, 2010, NOV as a result of the September 21, 2010, inspection:

1. Waste Evaluation, OAC Rule 3745-52-11:

In speaking with you in October 2012 and confirmed in our meeting on August 27, 2013, Giffin did not remove or dispose of any filters since my inspection on September 21, 2010, as it did not continue with any automobile painting plans. None of the paints or paint thinner was used and was returned back to the manufacturer. Painting is not done at any of the Giffin Autosports locations.

Therefore, this violation is considered abated.

Giffin Autosports is not a generator of hazardous waste.

All violations cited during our September 21, 2010, inspection have been abated.
