Dear Ms. Jernigan:

This letter will confirm removal of the water use advisory required in our letter dated September 10, 2013. This is based on one set of four total coliform negative (safe) samples collected October 1, 2013.

This office has not received a copy of the public notice, which was issued. Send a copy of the public notice along with the verification form to the Ohio EPA, 347 North Dunbridge Road, Bowling Green, Ohio, 43402 by October 22, 2013.

Your water system can resume normal quarterly monitoring for total coliform. You need to collect a routine sample prior to December 31, 2013 for the fourth quarter 2013.

If you have any questions, contact me at (419) 373-3108 or by e-mail at janis.damico@epa.ohio.gov.

Yours truly,
