Dear Ms. Krum:

Thank you for your December 18, 2012 response to Ohio EPA's October 29, 2012 Notice of Violation letter. The documentation you submitted included photographs showing repair work to the floor in the battery storage area and copies of the work orders related to the coating repairs in the permitted storage area. My review of this documentation reveals that Toxco, Inc. has now abated all violations discovered during the September 27, 2012 inspection as listed below.
