Dear Mr. Sellers:

Thank you for your October 16, 2012 and February 27, 2013 responses to Ohio EPA's August 22, 2012 Notice of Violation letter. The documentation you submitted included an updated copy of your contingency plan and job descriptions for those employees handling hazardous waste. My review of this documentation reveals that Kokosing Construction has now abated all violations discovered during the June 26th, 2012 inspection as listed below.

Letter Citation #	Rule Citation
1.	Personnel Training [OAC 3745-65-16 (D)(2)]
2.	Contingency Plan OAC 3745-65-54

If you should have any further questions, please feel free to call me at (614) 728-3884.

Sincerely,

Peter Maneff
