Dear Mr. Peters:

Thank you for the August 22, 2013, response to Ohio EPA's August 7, 2013, Notice of Violation letter. You submitted documentation including: a written response, photos of labeled used oil containers, photos of cleanup work done in the used oil storage area, and photos of the repaired drain pipe for your hand sink.

My review of this documentation reveals that Mel Peters' Tire & Auto Service has adequately demonstrated abatement of all violations discovered during the July 24, 2013 inspection.

If you should have any questions, please feel free to call me at (740) 380-5248.

Sincerely,

Elizabeth A. Herron
Environmental Specialist
Division of Materials and Waste Management
