Re: Auglaize County
Dad's Drive-In
Notice of Violation
Ohio EPA Permit No. 2PR00258
NPDES Permit No. OH0141704

December 13, 2011

Ms. Donna Wyatt, Owner
Dad's Drive-In
1209 Ridgeview Drive
St. Marys, Ohio 45885-1470

Dear Ms. Wyatt:

We are in receipt of your self-monitoring reports covering the months of July through September 2011 for the referenced facility. Our review indicates a violation of the conditions of your NPDES permit. The specific instance of noncompliance is enclosed on a separate sheet. This letter also serves as a Notice of Violation to inform you that we are missing the discharge monitoring reports listed on the enclosed sheet of paper. As a reminder, hard copy self-monitoring report submissions are due on the 15th day of the following month and electronic submissions are due on the 20th day of the following month. Submit the missing reports **within 10 days** of the date of this letter. Even if no discharge occurs, as long as the permit is in place, a report must be submitted.

The Ohio EPA strongly encourages pollution prevention as the preferred approach for waste management. The first priority of pollution prevention is to eliminate the generation of wastes and pollutants at the source (source reduction). For those wastes or pollutants that are generated, the second priority is to recycle or reuse them in an environmentally sound manner. You can benefit economically, help preserve the environment, and improve your public image by implementing pollution prevention programs. Information about Ohio EPA's Office of Compliance Assistance & Pollution Prevention can be found on Ohio EPA's Website at <http://epa.ohio.gov/ocapp> or by calling (614) 644 – 3469.

If there are any questions, please contact me at (419) 373 – 3022.

Sincerely,

Justin A. Williams
