OHIO EPA NO. 3PR00159*AD

Mr. Dalton Smith
2248 N. Cleveland-Massillon Road
P.O. Box 209
Bath, OH 44210

NOTICE OF VIOLATION

CERTIFIED MAIL

Dear Mr. Smith:

It has come to the attention of this office that you have not been submitting Discharge Monitoring Reports as is required by your National Pollutant Discharge Elimination System (NPDES) permit. Monitoring data required by this permit shall be submitted on Ohio EPA 4500 Discharge Monitoring Report (DMR) forms using the electronic DMR (e-DMR) internet application. The e-DMR allows permitted facilities to enter, sign, and submit DMRs on the internet. It is accessed from the Ohio EPA eBusiness Center. The eBusiness Center is found on the following web page:

<http://www.epa.state.oh.us/dsw/edmr/eDMR.aspx>

For e-DMR, the person signing and submitting the DMR will need to obtain an eBusiness Center account and personal Identification Number (PIN). For questions pertaining to e-DMRs and obtaining a PIN, please contact Mr. Jamie Roberts of Division of Surface Water at (614) 644-2054.

Please note that failure to submit this effluent quality data constitutes a violation of the terms and conditions of your NPDES permit, and therefore is subject to enforcement actions. Such actions can result in fines of up to \$10,000 per day of violation. Ohio EPA would like to resolve these violations prior to commencing an enforcement action.

Furthermore, the enclosed Operator of Record Form needs to be signed and submitted by December 14, 2011. According to your NPDES permit, you are required to utilize a wastewater treatment plant operator with at least a Class A Wastewater Certification.

Should you have any questions concerning this letter, please contact this office at (330)963-1151.

Sincerely,

Jennifer S. Bennage
Environmental Engineer
Division of Surface Water
