**Re: Storm Water Inspection at Ohio Soil Recycling / Franklin County  
Permit Number: 4GC03436\*AG**

Dear Mr. Elliott:

This letter is written in follow-up to a construction storm water inspection I conducted at Ohio Soil Recycling located in Columbus, Ohio on **November 17, 2011**. The Agency understands these construction activities are currently covered under the General Storm Water Permit Associated with Construction Activities. Based on the site inspection and the General Storm Water Permit, the following items must be addressed:

**Sediment Pond #2 and Treatment Pad:**

- The synthetic liner associated with Sediment Pond Number 2 and the treatment pad is installed. It is my understanding, based on conversations with onsite personnel, treatment of contaminated soil will soon be moved to the lined treatment pad. This would include moving all contaminated soil to the treatment pad.
- All contaminated soil, including the large stock pile noted in the attached phot, should be relocated within 10 days from receipt of this letter.

**Barren Areas: 21 Day Rule:**

- Be aware the General Permit states that all barren areas which remain idle in excess of 21 days must be protected from erosion within seven days of the last earth disturbing activities. In addition, erosion protection must be implemented for all areas of final grade within seven (7) days. This specifically applies to the clean storage area on the northern end of the site.

If you have any questions regarding this letter or the inspection, please do not hesitate to call me at our Central District Office at (614) 728-3844 or email at [harry.kallipolitis@epa.state.oh.us](mailto:harry.kallipolitis@epa.state.oh.us). In addition, please provide a written response (**email preferred**) to the action items addressed above within ten days from receipt of this letter. A follow-up inspection will be conducted to ensure the minimum conditions of the General Permit have been met.

Sincerely,

Harry Kallipolitis  
Storm Water Coordinator  
Division of Surface Water  
Central District Office
