Re: Paulding County  
Village of Cecil  
NPDES Permit

January 19, 2012

Mayor and Council  
Village of Cecil  
P.O. Box 164  
Cecil, Ohio 45821

Dear Mayor and Council:

On December 12, 2011, I conducted an inspection of the wastewater treatment plant (WWTP) serving the Village of Cecil. At the time of inspection, Thomas Roth of Industrial Fluid Management, the operator of the WWTP, was present and provided information regarding the plant.

All treatment units were operational and the discharge appeared typical. Since the last inspection (March 24, 2011), numerous effluent limit violations have been reported for various parameters. Corrective actions must be taken to achieve compliance with the permit limitations and conditions.

If you have any questions, please contact me at [naajy.abdullah@epa.state.oh.us](mailto:naajy.abdullah@epa.state.oh.us) or (419) 373-3017.

Sincerely,

  
Naajy Abdullah, P.E.  
Division of Surface Water
