Notice of Violation**

Ladies & Gentlemen:

A compliance review was conducted on your Discharge Monitoring Report (DMR) submitted on January 17, 2012. As detailed at the end of this letter, screening of your submitted DMR has identified compliance issues.

Please be advised that failure to comply with the effluent limitations or to satisfy the monitoring or reporting requirements of your NPDES Permit may be cause for enforcement action pursuant to the Ohio Revised Code Chapter 6111.

We have reviewed your report addressing the reasons for the above violations and the actions being taken to prevent further occurrences. No additional information is requested at this time. Future violations must continue to be reported as required by the NPDES Permit as detailed in Part III.12 titled "Non-compliance Notification".

If you should have any questions, feel free to contact me by phone at (937) 285-6029 or by electronic mail at Joshua.Jackson@epa.state.oh.us.

Respectfully,

Joshua Jackson
