Re: Morgan County
Burr Oak Campground WWTP
Compliance Evaluation Inspection
NPDES Permit 0PP00044*DD
Correspondence (PWW)

Mr. Mike Powers, Park Manager
ODNR Burr Oak State Park
10660 Burr Oak Lodge Road
Glouster, Ohio 45732

Dear Mr. Powers:

On December 1, 2011, I conducted a compliance evaluation inspection at the Burr Oak State Park Campground WWTP located in Glouster, Ohio. I was accompanied by Cynthia Yandrich of this office. Burr Oak was represented by Eric Compston, Water Treatment Coordinator. The purpose of the site visit was to evaluate Burr Oak's compliance with NPDES Permit Number 0PP00043*ED and the Ohio Water Pollution Control Act, Revised Code Chapter 6111.

As a result of the inspection and review of our files, I have the following comments:

Part III. Item 14. of the Permit states, "The permittee shall take all reasonable steps to minimize or prevent any discharge in violation of this permit which has a reasonable likelihood of adversely affecting human health or the environment."

There have been numerous NPDES permit violations since the last inspection. Burr Oak should make every effort to maintain the treatment system in compliance with its NPDES permit.

Due to the above comments and review of our files, I rated the areas of Operations/Maintenance and Compliance/Violations as ***Marginal***.

A response to this letter is required by February 15, 2011.

The Ohio EPA strongly encourages pollution prevention as the preferred approach for waste management. The first priority of pollution prevention is to eliminate the generation of wastes and pollutants at the source (source reduction). For those wastes or pollutants that are generated, the second priority is to recycle or reuse them in an environmentally sound manner. You can benefit economically, help preserve the

environment, and improve your public image by implementing pollution prevention programs. For more information about pollution prevention, including fact sheets and U.S. EPA's Facility Pollution Prevention Guide, (EPA/600/R-92/088), you may contact the Ohio EPA Pollution Prevention Section at (614) 644-3469 or me for additional information.

If you have any questions or comments, please feel free to contact me at (740) 380-5227 or email at scott.foster@epa.ohio.gov.
