Mr. Eric Heestand  
Bowling Green Area School District  
137 Clough Street  
Bowling Green, Ohio 43402

Dear Mr. Heestand:

On January 25, 2012, I performed an inspection of the Crim Elementary School project located at 1020 Scott Hamilton Drive, Bowling Green, Wood County. The purpose of this visit was to evaluate compliance of the site with the National Pollutant Discharge Elimination System (NPDES) permit for storm water discharges associated with construction activity (Construction General Permit or CGP). The inspection was conducted under the provisions of Ohio's water pollution control statutes, Ohio Revised Code (ORC) Chapter 6111.

At the time of the inspection, there was no active construction. When construction does begin, please be aware that all terms and conditions of the CGP will apply including maintaining sediment and erosion controls and conducting routine inspections.
