Mr. Glen Campbell  
Capital Senior Living

Dallas, Texas 75254

Dear Mr. Campbell:

On August 28, 2008, Capital Senior Living received coverage under the Ohio EPA General Permit for Storm Water Associated with Construction Activity (CGP) for the Waterford at Levis Commons project located at 7100 South Wilkinson Way, City of Perrysburg, Wood County, Ohio. This CGP is still active.

On January 31, 2012, I performed an inspection of this facility. The purpose of this visit was to evaluate compliance of the site with the CGP. The inspection was conducted under the provisions of Ohio's water pollution control statutes, Ohio Revised Code (ORC) Chapter 6111. As a result of this inspection, it appears that coverage for this site is eligible to be terminated.

Construction activities have been completed with final stabilization achieved on all portions of this site. The CGP requires that a Notice of Termination (NOT) be filed to relieve the applicant of the obligation to comply with the terms and conditions of this general permit including regular inspections of the site. I am enclosing an NOT form to terminate this permit.

Please submit this form to: Ohio Environmental Protection Agency  
General Permit Program  
PO Box 1049
