**Re: Echo Manor Nursing & Rehabilitation Center / Fairfield County  
Construction Storm Water General Permit #4GC03451\*AG**

Dear Mr. Robinson:

This letter is written regarding the storm water inspection I conducted on March 14, 2012, at the Echo Manor Nursing and Rehabilitation Center, located at 10270 Blacklick-Eastern Road NW, Pickerington, Ohio. The Agency understands that these construction activities are currently covered under the General Storm Water Permit Associated with Construction Activities. It appeared during the inspection that construction activity has been completed for this site and all disturbed areas had been permanently stabilized.

If you have not already done so, a Notice of Termination will be required providing that the post construction requirements have been met. Instructions and forms can be found at <http://www.epa.ohio.gov/dsw/storm/stormform.aspx>.

If you have any questions regarding this letter or my inspection, please do not hesitate to call me at our Central District Office at (614) 728-3851.

Sincerely,

Gregory L. Sanders  
Environmental Specialist  
Stormwater Section  
Division of Surface Water  
Central District Office
