Dear Mr. White:

We have received your self-monitoring report for the month of February 2012, for the Miamiview Estates Mobile Home Park's Wastewater Treatment Plant. Our review indicates a violation of the conditions of the NPDES permit for the facility. The specific instance of noncompliance is as follows:

**EFFLUENT LIMIT VIOLATIONS AT OUTFALL 001**

Parameter	Limit Type	Limit	Reported Value	Violation Date
Dissolved Oxygen	1D Conc	5.0	4.4	2/22/2012

Please be advised that failure to comply with the effluent limitations or to satisfy the monitoring or reporting requirements of your NPDES permit may be cause for enforcement action pursuant to the Ohio Revised Code Chapter 6111.

We have not received the noncompliance notification regarding the cause of the effluent limit violation. A response to this letter is necessary by April 30, 2012. If you have any questions regarding this Notice of Violation, please call me at (937) 285-6101.
