Dear Mr. Weber:

This letter is written regarding a storm water inspection I conducted on April 5, 2012 of the Smith Park Improvements located in Delaware County. ***It appears construction is complete.***

All areas have been stabilized and I understand the upcoming construction will be authorized under a separate, currently issued permit for this site.

If you have any questions regarding this letter or the inspection, please do not hesitate to contact me at our Central District Office at (614) 728-3844.

Sincerely,
