RE: Notice of Violation
St. Ilija Macedonian Orthodox Church NPDES 1PZ00062

Ladies and Gentlemen:

According to our records, the NPDES permit 1PZ00062 for the St. Ilija Macedonian Orthodox Church will expire September 30, 2012. Your current NPDES permit states "In order to receive authorization to discharge beyond the above date of expiration, the permittee shall submit such information and forms as required by Ohio EPA no later than 180 days prior to the above date of expiration". Ohio EPA has not received the NPDES renewal forms, Antidegradation Addendum, or the application fee for this facility, even though it is now less than 180 days prior to the expiration date. Here are links by which the forms (1, 2E, 2S, and Antidegradation Addendum) can be obtained:

By April 27, 2012, you must submit the NPDES renewal application forms, Antidegradation Addendum, and NPDES application fee for the St. Ilija Macedonian Orthodox Church NPDES permit. Please be advised that failure to comply with the requirement to submit the renewal application forms for your NPDES permit may be cause for enforcement action pursuant to the Ohio Revised Code Chapter 6111.

If you have any questions regarding the above, please contact me at this office.
