**RE: Industrial Storm Water Site Inspection, NPDES Permit # 1GR00222\*EG**

Dear Mr. Short:

On Wednesday, May 16, 2012, I inspected Rol-Tech, Inc.'s facility in Fort Loramie, Ohio, to determine compliance with its industrial storm water discharge permit. You represented the company during this review.

Based on my observations of the site's operations and a review of relevant documents, it appears the facility is in substantial compliance with the terms of its industrial storm water discharge permit.

If you have any questions related to this inspection, or the new industrial storm water permit, I can be contacted at 937.285.6442, or via email at [chris.cotton@epa.ohio.gov](mailto:chris.cotton@epa.ohio.gov).

Sincerely,

Chris Cotton  
Environmental Specialist II  
Division of Surface Water
