Dear Mr. OMalley:

This letter is written regarding the storm water inspection that I conducted on May 16, 2012, at the Air East Business Park, Ph. II, located in the northeast corner of Hayes Road and Pontius Road, in Groveport, Ohio. I understand that these construction activities are currently covered under the General Storm Water Permit Associated with Construction Activities. Based on my site inspection and the General Storm Water Permit, the following items must be addressed.

Sediment and Erosion Controls:

- There was no active construction at the site during the inspection. There was no erosion leaving the site and no barren areas. You are in compliance with your General Storm Water Permit.

If you have any questions regarding this letter or my inspection, please do not hesitate to call me at our Central District Office at (614) 728-3851.

Sincerely,
