P.O. Box 406

Dear Mr. Wintzer:

This letter serves as a Notice of Violation to inform you that we are missing the discharge monitoring reports listed on the enclosed sheet of paper. As a reminder, hard copy self-monitoring report submissions are due on the 15<sup>th</sup> day of the following month and electronic submissions are due on the 20<sup>th</sup> day of the following month.

Please inform this office in writing, **within 10 days**, as to the reasons for the above referenced violations, as well as a description of the actions taken or proposed to prevent any further violations. Your response should include the dates, either actual or proposed, for completion of the actions.

The Ohio EPA strongly encourages pollution prevention as the preferred approach for waste management. The first priority of pollution prevention is to eliminate the generation of wastes and pollutants at the source (source reduction). For those wastes or pollutants that are generated, the second priority is to recycle or reuse them in an environmentally sound manner. You can benefit economically, help preserve the environment, and improve your public image by implementing pollution prevention programs. Information about Ohio EPA's Office of Compliance Assistance & Pollution Prevention can be found on Ohio EPA's website at <http://epa.ohio.gov/ocapp> or by calling (614) 644 – 3469.

If there are any questions, please contact me at (419) 373 – 3022.

Sincerely,

Justin A. Williams
