Dear Mr. Stewart:

On May 23, 2012, I conducted an inspection of your facility. The inspection was conducted under the provisions of Ohio's water pollution control statutes, Ohio Revised Code (ORC) Chapter 6111. As a result of the inspection, I have the following comment:

Please ensure that all storm water related training is completed by the end of July 2012 and documented in the storm water pollution prevention plan.

If you have any questions, please contact me at (740) 380-5277.

Sincerely,

Aaron Wolfe
