Dear Mr. Wiltshire and Mr. Anderson:

On June 8, 2012 I conducted inspections of your facility. The inspection was conducted under the provisions of Ohio's water pollution control statutes, Ohio Revised Code (ORC) Chapter 6111. As a result of the inspections, I have the following comment:

Please submit a flow diagram to our office within the next thirty days outlining storm water drain flow direction and the direction of flow from the wash and maintenance bays. I must ensure that the wash and maintenance bays drain to the sewer.

If you have any questions, please contact me at (740) 380-5277.

Sincerely,

Aaron Wolfe
