Dear Mr. Tesmer:

On March 27, 2012, Ohio EPA received a copy of the annual report required by the Ohio EPA General Storm Water National Pollutant Discharge Elimination System (NPDES) Permit for Small Municipal Separate Storm Sewer Systems (MS4s) #OHQ000002. Upon review, Ohio EPA has determined the following:

The annual report for reporting year 2011 is incomplete. In particular, the annual report does not provide the following information:

- A Table of Organization identifying the name and contact information for the party responsible for overall management and implementation of your program and each of the six minimum control measures. Guidance on developing a table of organization can be found on our website at <http://www.epa.ohio.gov/Default.aspx?tabid=2697>.
- No responsible parties were listed for any of the tasks in the annual report.
- An attachment that provides schedules for the elimination of illicit connections that have been identified but not yet eliminated. Please list each remaining incidence of known illicit connection, the address or other location indicator, a brief description of the situation and provide a schedule for its elimination.

Finally, the annual report indicates the following possible areas of non-compliance with performance standards contained within the NPDES permit:

- **Mapping of Home Sewage Treatment Systems (HSTSs)** – Boston Township has not submitted a list of all HSTSs within the UA that discharge to the MS4 and a storm sewer map showing their location. Please be aware that this list and map were to be completed within five years of your initial NPDES permit coverage.

Please submit the items necessary to complete your annual report and, if violations or possible non-compliance are noted above, please provide me with a letter of response indicating the actions taken to correct these violations. For actions yet to be completed, provide me with a schedule by which corrective action will be complete. If we have incorrectly identified violations or areas of possible non-compliance, please provide a letter of explanation and documentation to support your position. Your response should be received no later than **July 10, 2012**.

If you have any questions, please contact me at (330) 963-1125 or via e-mail at kelly.mcvay@epa.ohio.gov.

Sincerely,

Kelly McVay
