RE: Butler County, Crouse MHP, NPDES Permit Violations

Dear Mr. Bremer:

We have reviewed your Discharge Monitoring Reports (DMRs) covering the months of February through May 2012 for the referenced facility. Our review indicates violations of the conditions of your NPDES permit (NPDES Permit # OH0118923; OEPA Permit # 1PV00095\*DD). The specific instances of noncompliance are as follows:

Effluent Limit Violations for February through May 2012

Table with 6 columns: Reporting Period, Parameter, Limit Type, Units, Permit Limit, Reported Value. Row 1: May 2012, E. coli, Monthly, #/100ml, 161, 320.

Please be advised that failure to comply with the effluent limitations or to satisfy the reporting requirements of your NPDES permit may be cause for enforcement action pursuant to Ohio Revised Code Chapter 6111.

Please inform this office, in writing, by July 13, 2012, as to the reason for the above referenced violation, as well as a description of the action taken or proposed to prevent any further violation. Your response should include the dates, either actual or proposed, for completion of the action. Future violations must be reported as required by the NPDES permit as detailed in Part III.12 titled "Noncompliance Notification".

If you have any questions regarding the above, please contact me at (937) 285-6096.

Sincerely,

[Handwritten signature]

Ned Sarle
