MUNICIPAL STORM WATER  
ANNUAL REPORT REVIEW – 2012  
Facility Permit No: 2GQ00005\*BG

July 5, 2012

Mr. John McDonald  
Village Administrator  
Village of Cridersville  
110 West Main Street  
Cridersville, Ohio 45806

Dear Mr. McDonald:

On March 19, 2012, Ohio EPA received a copy of the annual report required by the Ohio EPA General Storm Water National Pollutant Discharge Elimination System (NPDES) permit for Small Municipal Separate Storm Sewer Systems (MS4s) #OHQ000002. Upon review, Ohio EPA has determined the annual report is complete.

We recognize that implementing the MS4 program can be difficult in a small village with limited resources such as the Village of Cridersville. We appreciate your attention to the implementation of this program and the promptness in submitting your annual report.

If you have any questions, you may contact me at 419-373-3016 or by e-mail at [patricia.tebbe@epa.state.oh.us](mailto:patricia.tebbe@epa.state.oh.us).

Sincerely,

Patricia A. Tebbe, P.E.  
Division of Surface Water
