Re: Lehman Meadows / Franklin County

Dear Mr. Theuerkauf:

I am in receipt of your letter dated June 28, 2012, which stated that Westport Homes owns the remaining lots in the Lehman Meadows subdivision. Please be aware that the General Storm Water Construction Permit was issued to Rockford Homes and it is the responsibility of the permit holder to insure that the owner of any lots in the subdivision acquire a lot notice of intent to transfer the lot into their name. The Agency does not have lot notice of intent applications for Lehman Meadows. Please see the weblink below for more information regarding lot notice of intent applications.

If you have any questions regarding this letter or my inspection, please do not hesitate to call me at our Central District Office at (614) 728-3851.

Sincerely,

Gregory L. Sanders
Environmental Specialist
Division of Surface Water
Central District Office
