Re: *Mews at Pinnacle / Franklin County*

Dear Mr. Dioun:

This letter is written regarding a storm water inspection that I conducted on July 10, 2012, at the Mews at Pinnacle located east of Buckeye Parkway, in Grove City, Ohio. I understand that these construction activities are currently covered under the General Storm Water Permit Associated with Construction Activities. Based on the site inspection and the General Storm Water Permit, the following items must be addressed:

Sediment and Erosion Controls:

There was no active construction at the site.

The barren areas were stabilized.

If you have any questions regarding this letter or the inspection, please do not hesitate to call me at our Central District Office at (614) 728-3851.

Sincerely,
