Dear Mayor and Council:

We have received your self-monitoring reports covering the months of April through June 2012 for the referenced facility. Our review indicates violations of the conditions of your NPDES permit. The specific instances of noncompliance are as follows:

**Non-Numeric Violations:**

Station	Reporting Code	Parameter	Sampling Frequency	Expected	Expected	Reported Value
001	31616	Fecal Coliform	6/6/2012			AK

Please submit within **10** days upon receipt of this letter as to the reasons for the above permit violations and actions being taken to prevent further occurrences. If a prior explanation of these violations has been sent no further action is required.

Please be advised that failure to comply with the effluent limitations and/or monitoring requirements specified in your NPDES permit may be cause for enforcement action pursuant to Ohio Revised Code, Chapter 6111. If these violations continue to occur and if satisfactory progress is not made, it may be necessary to initiate enforcement action to achieve compliance.
