**Re: Notice of Violation
Circleville City Schools Campus, Pickaway County
Storm Water General Construction Permit #4GC03589*AG**

Dear Mr. Mohler:

During a meeting held at Circleville City Schools on March 27, 2012, and again in a letter dated July 17, 2012, I requested a co-permittee notice of intent application from your company, Bovis Lend Lease, for the above listed project. As of this date, the agency has not received this application. Please consider this a formal notice of violation. As stated previously, all "operators" will need to complete and submit a construction storm water co-permittee notice of intent application. This application may be obtained at the following weblink: <http://www.epa.state.oh.us/dsw/storm/stormform.aspx>. "Operator" means any party associated with a construction project that meets either of the following two criteria:

1. The party has operational control over construction plans and specifications, including the ability to make modifications to those plans and specifications; or
2. The party has day-to-day operational control of those activities at a project which are necessary to ensure compliance with an SWP3 for the site or other permit conditions (e.g., they are authorized to direct workers at a site to carry out activities required by the SWP3 or comply with other permit conditions). As set forth in Part II.A, there can be more than one operator at a site and under these circumstances, the operators shall be co-permittees.

If you have any questions regarding this letter or my inspection, please do not hesitate to call me at our Central District Office at (614) 728-3851.

Sincerely,
