2450 Rathmel Road
Columbus, OH 43207

Dear Mr. Humphrey:

On August 28, 2012, Ohio EPA conducted an inspection at United Parcel Service - Wadsworth HUB, located at 478 Corporate Industrial Parkway, City of Wadsworth, Medina County (facility). The facility was represented by Edgar Wilson, Non-Road Supervisor, during the inspection.

The facility's industrial activities are categorized by Standard Industrial Classification (SIC) Code 4215: Courier Services, Except by Air and are authorized by General National Pollutant Discharge Elimination System Permit for Storm Water Associated with Industrial Activity (Multi-Sector General Permit), permit No. 3GR00728*EG.

Site Inspection

The inspection documented the following:

- All floor drains located within the maintenance/processing building are connected to an oil/water separator, which discharges to the City of Wadsworth sanitary sewer system.
- Vehicle washing and maintenance occurs within the maintenance/processing building.
- Spill kits are available and accessible at the refueling area.
- The last annual compliance site inspection was performed September 2011.
- Appropriate records are being maintained to document the occurrence of employee training sessions and facility inspections.

Storm Water Pollution Prevention Plan (SWP3)

- The facility's SWP3 was last updated June 27, 2012 to address the Multi-Sector General Permit.
