Dear Mr. Liesch:

This letter is written regarding a storm water inspection that I conducted on October 2, 2012, at the West Broad Street Park, located at 6257 West Broad Street, in Columbus, Ohio. The purpose of the inspection was to evaluate compliance with the General Storm Water Permit Associated with Construction Activities. During the inspection, I noted the following associated with construction activities at this site:

**Sediment and Erosion Control:**

- There was no active construction at the site during the inspection. There was no erosion leaving the site and no barren areas. You are in compliance with your General Storm Water Permit.

If you have any questions regarding this letter or the inspection, please do not hesitate to contact me at our Central District Office at 614-728-3851 or email at [greg.sanders@epa.ohio.gov](mailto:greg.sanders@epa.ohio.gov).
